**Village of Waynesville
Council Meeting Minutes
May 16, 2022 at 7:00 pm**

DRAFT

Present: Mayor Earl Isaacs
Mr. Chris Colvin
Ms. Joette Dedden
Mr. Zack Gallagher
Mr. Troy Lauffer
Mrs. Connie Miller
Absent: Mr. Brian Blankenship

Village Staff Present: Gary Copeland, Village Manager and Safety Director; Jamie Morley, Clerk of Council

***CLERK'S NOTE-** This is a summary of the Village Council Meeting held on Monday, May 16, 2022.*

.....
Mayor Isaacs called the meeting to order at 7:00 p.m.

Roll Call – 6 present

Mr. Gallagher made a motion to excuse Mr. Blankenship and Mr. Colvin seconded the motion.
Motion – Gallagher
Second – Colvin

Roll Call – 6 years

Mayor Acknowledgements

A thank you to all the volunteers that met on Saturday to clean up Veteran's Park. A group of veterans from Kettering joined to help. Mulch was laid and the gazebo power washed and prepped for painting. The bank account has gotten a little low. Donations can be made for the Waynesville Veteran's Park Memorial Fund at the local Waynesville branch of LCNB. Any donation would be appreciated.

Disposition of Previous Minutes

Mrs. Miller made a motion to approve the minutes for the Council meeting on May 2, 2022 as written and Mr. Lauffer seconded the motion.
Motion – Miller
Second – Lauffer

Roll Call – 6 years

.....

Public Recognition/Visitor's Comments

Scott Teeters representing AES of 1900 Dryden Road approached the dais and spoke to Council about recent discussions on the upcoming increase of the generation price for electricity. Mr. Teeters explained that AES no longer generates electricity and is basically a delivery company. The upcoming price increase is for the generation cost. Around 2000 legislation was introduced to expand competition for the generation of electricity. Currently, individuals can go out and compare prices from suppliers and sign a contract. There are some municipalities that offer aggregations such as Wayne Township, which basically puts a bundle of customers together and goes out and looks for the best price. Some customers do not sign up with another supplier or participate in an aggregate, and AES must provide electricity to these people. In April AES put out to bid based on the number of customers they need to supply electricity. The price went from \$.048 KW to \$.109 KW. The reasoning behind the huge increase is the price of gas, natural gas, and inflation.

Mr. Teeters explained that customers can go to the PUCO website and there is an apples-to-apples comparison of different companies supplying electricity. On each electric bill, it will list who their supplier is, and they can compare rates to other supplier companies on this website.

Mr. Gallagher stated that a little bit ago AES asked for a rate increase and asked if this was the same thing. Mr. Teeters explained that this is different. The current increase is for the generation of electricity. This is for AES to buy the electricity wholesale and provide it to the customers; AES just serves as a pass-through. What Mr. Gallagher is referring to is the distribution rate increase to help AES maintain its infrastructures, such as improvements to poles, wires, and such. This had not been increased since 1994. The delivery fee is how AES makes its money, not the cost of electricity.

Chief Copeland stated that he has a meeting with the same company that Wayne Township used for its aggregate. He will get information on the possibility of setting up an aggregation for the Village that would allow residents to opt in or out to receive the agreed upon price per KW. He also stated that the Government accounts are already in a contract with Direct Energy until 2024 and the Village accounts will not be affected by the price increase until the contract ends.

Mr. Gallagher stressed the importance of residents doing research and making informed decisions by comparing rates and reading contracts of supplier companies. He stated that not all the companies offering contracts are a better deal than what AES offers. Therefore, using the PUCO website to compare different companies is very helpful.

Mr. Lauffer asked if things return to normal and the rates drop, will this be passed on to the customers. Mr. Teeters was not sure the length of this current contract, whether it was one year or three, but if the bidding price goes down then AES should lower the rate as they serve as a pass-through.

.....

Roll Call – 6 yeas

At this time, Council discussed if the Village should pay for the mulch rather than the Waynesville Veteran’s Park Memorial since it is Village property. It was agreed that the Village should be responsible for the general maintenance of the park.

Legislation

First Reading of Ordinances and Resolutions

None

Second Reading of Ordinances and Resolutions

Ordinance No. 2022-021

Amending the Schedule of Fees and Charges for the Village of Waynesville Regarding Trash Rates to be Effective June 17, 2022

Mr. Colvin made a motion to adopt Ordinance 2022-021 and Ms. Dedden seconded the motion.

Motion – Colvin
Second – Dedden

Jamie Morley, Clerk of Council

ORDINANCE NO. 2022-022

AUTHORIZING THE VILLAGE MANAGER TO ENTER INTO A CONTRACT WITH STRAWSER CONSTRUCTION, INC. IN AN AMOUNT NOT TO EXCEED \$29,570 FOR MICRO SURFACING PROJECT PHASE 2 AND DECLARING AN EMERGENCY

WHEREAS, the Village of Waynesville has requested proposals for work related to street micro surfacing; and

WHEREAS, Strawser Construction, Inc. submitted the lowest and best proposal for said work with a bid of \$29,569.56.

NOW, THEREFORE, BE IT ORDAINED by the Village Council of the Village of Waynesville, _____ members elected thereto concurring:

Section 1. The Village of Waynesville accepts the specifications and agrees that Strawser Construction, Inc. is the lowest and bid bidder.

Section 2. That the Village Manager is hereby authorized to enter into a contract with Strawser Construction, Inc. for work related to the micro surfacing of certain Village streets pursuant to the terms of the proposal attached hereto as Exhibit A, incorporated herein by reference.

Section 3. That the Finance Director is hereby authorized to pay a sum not to exceed \$29,569.56 for said work in accordance with the proposal and specifications attached hereto and incorporated herein by reference.

Section 4. That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and general welfare and shall be effective immediately upon its adoption. The reason for said declaration of emergency is the need to accept the proposal before the bid expiration and so the work may be completed in a timely fashion.

Adopted this _____ day of _____, 2022.

RESOLUTION 2022- 023

RESOLUTION APPOINTING INITIAL REGION 14 REPRESENTATIVE AND ALTERNATE REPRESENTATIVE TO THE ONEOHIO RECOVERY FOUNDATION, INC. BOARD AND DECLARING AN EMERGENCY

WHEREAS, the **Village of Waynesville** is a Local Government that has adopted and approves The OneOhio Memorandum of Understanding (“The Memorandum”), which establishes a mechanism to disburse settlement proceeds from opioid litigation into Ohio’s communities to help abate the opioid crisis, including allocations to Local Governments and Regions through a statewide Foundation; and

WHEREAS, this jurisdiction is a participant in **Region 14** as established by The Memorandum; and

WHEREAS, pursuant to The Memorandum each Region shall create their own governance structure so it ensures all Local Governments have input and equitable representation regarding regional decisions including representation on the statewide Foundation Board and selection of projects to be funded from the Region’s regional Share; and

WHEREAS, the imminent distribution of Opioid Funds through the OneOhio Recovery Foundation, Inc. requires immediate appointment of a regional representative from this Region; and

WHEREAS, Regions have the responsibility to make submissions regarding the allocation of funds to projects that will equitably serve the needs of the entire Region; and

WHEREAS, **Greta Hochstetler Mayer** has expressed a willingness and ability to serve as the initial **Region 14 Representative** on the OneOhio Recovery Foundation, Inc. Board for an initial term that will begin May 16, 2022 by and upon concurrence of all Local Governments participating in **Region 14**, and end May 15, 2024 upon reappointment, a successor appointment, resignation or removal by the regional board.

WHEREAS, **Karen Scherra** has expressed a willingness and ability to serve as the initial **Region 14 Alternate Representative** alternate on the OneOhio Recovery Foundation, Inc. Board for an initial term that will begin May 16, 2022 by and upon concurrence of all Local Governments participating in **Region 14**, and end May 15, 2024 upon reappointment, a successor appointment, resignation or removal by the regional board.

NOW, THEREFORE, BE IT ORDAINED by the Village Council of the Village of Waynesville, _____ members elected thereto concurring:

Section 1. Subject to and effective upon the concurrence of all Local Governments (counties, cities, villages, townships) in **Region 14**, **Greta Hochstetler Mayer** shall be appointed as the initial **Region 14 Representative** to the OneOhio Recovery Foundation, Inc. Board;

Section 2. Subject to and effective upon the concurrence of all Local Governments (counties, cities, villages, townships) in **Region 14**, **Karen Scherra** shall be appointed as the initial **Region 14 Alternate Representative** to the OneOhio Recovery Foundation, Inc. Board;

Section 3. This **Region 14 Representative and Alternate** may exercise all authority of a OneOhio Recovery Foundation, Inc. Board member under Section D.3 through and including D.11 of The OneOhio Memorandum of Understanding during this initial appointment; and shall report any such actions to the regional board in this Region;

Section 4. It is found and determined that all formal actions of this legislative body relating to the adoption of this Resolution were adopted in an open meeting, and that all deliberations that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements;

Section 5. This Resolution is hereby declared to be an emergency measure, necessary for the preservation of the public peace, health, welfare and safety. The reason for the emergency is to ensure prompt pursuit of funds to assist in abating the opioid epidemic throughout Ohio.

Adopted this ____ day of _____, 2022.

Clerk of Council

Mayor

Council Report

June 6, 2022

Chief Copeland

Manager

- Tammy Campbell, ODOT District #8 Director scheduled a meeting for me to discuss our request for a traffic light on SR42 at North St. / Corwin Ave. On May 31st at 1pm, I met with Bree Hetzel, District Traffic Study Engineer and Scott Brown, District LPA Coordinator. I addressed the Village's concerns about the number of accidents at that location and the continuous complaints we receive about the safety at that intersection. In addition, I presented them with a traffic study conducted by our engineer, which identifies the need for a traffic signal. It was determined that with the volume of accidents a traffic light is warranted. Bree and Scott shared the next steps to move forward with this project. We discussed the permits that are required, the maintenance agreement with ODOT, design plans, and costs. They do not have any grants for the traffic light, but we can file for abbreviated safety funds with the Ohio Department of Transportation for the needed turn lane extensions. These funds are awarded 4 times a year for up to \$250,000.00. I have reached out to Choice One Engineering to assist with the plans and identify the accidents caused by the turn lanes to help with the safety funds application. The traffic light is estimated to cost around \$250,000.00 and the extended turn lanes construction will be approximately \$200,000.00 for a total project cost estimated at \$450,000.00. I have a meeting scheduled with Choice One Engineering on Tuesday, June 7th at 8:30am to begin designing the plans, filing permits, and start the ODOT safety fund application. I will keep Council posted on the progress.
- I met with Kyle from Strawser Construction on May 19th to discuss adding additional street locations to the list of micro-surface projects starting in June. Wilkerson Lane from Main Street to the Lemay property gate, South Main Street from Wilkerson to SR73, Marvins Lane from Miami to Mill Street, and East and West Ellis Drive are scheduled to be micro-surfaced late June or early July for \$42,891.00. Kyle and I discussed and reviewed the additional locations including all of Victoria Place neighborhood and around the water distribution center on South Main Street. Kyle got back with me later with a quote of \$29,569.56 and stated if approved right away they would do both phases at the same time in June or July. I have prepared an ordinance as an emergency for your review and approval if you would like me to move forward on both phases.

- We did some upgrades to Veterans Park prior to Memorial Day. I purchased 6 used commercial 25' flag poles with flags for a total of \$2,100.00, which included installation. I want to thank Gene Isaacs, Bill Carter and Mark Newland for painting the gazebo and doing the landscaping. We have received several compliments for the addition of the flags from veterans and non-veterans. The flags help validate the park honoring our veterans. Personalized engraved bricks honoring a veteran can be purchased with proof of service. Earl Isaacs and Leroy Sandy have brick applications.

The flags were raised and honored for the first time by 6 veterans on May 26th.

National Flag – Chief Copeland USMC, **Army Flag** – Mayor Isaacs US Army, **Navy Flag** – Former Council Member Richard Elliott USMC, **Marine Flag**- Gene Isaacs USMC, **Air Force Flag**- Bill Carter US Army, **National Guard Flag** – Greg Craddock USMC

- Rob Ramby submitted a letter to me on behalf of the Waynesville American Legion Post 615 seeking sponsorship donations for the annual fireworks display. The event will take place on Saturday, July 2nd with a rain date of July 3rd. The council voted and approved a donation of \$2,000.00 towards the fireworks, which are a huge success every year. A copy of the letter has been included for your records.
- I met with Bree Hetzel, ODOT District Traffic Study Engineer and Scott Brown, District LPA Coordinator on May 31st in regard to safety concerns on the State Routes. They advised me that there was an active petition to have a blinking traffic signal placed at SR73 at the intersection of Old SR73. I addressed reducing the speeds on SR73 within the Village limits. At the conclusion of that discussion I received information on the process to get the speed reduced on SR73 near Main Street to between 35 – 45mph. I will be working on making this happen and when we install a traffic signal on SR42 at North Street, I would like to move the blinking light from that location to SR73 at Main St. I am including this topic in my meeting with Choice One on June 7th. I will keep Council informed of my progress.
- I met with Vic from Brown Paving and Construction on May 16th at 10am to discuss a few issues from their work in September. We walked Adamsmoor to inspect the paving job and I pointed out a few discrepancies. After we completed our inspection, Vic stated that they would return and correct the issues pointed out later this summer. He stated that he will get back with me on the exact date they will be returning for the repairs.

- After receiving complaints, we replaced the 2 valves on 4th Street on both sides of Chapman Street. A subsequent investigation showed that one of the valves was broken in the closed position and the other valve was broken in the open position. Both valves have been replaced and work great. This has increased and improved water pressure in the area.

- The reconditioning of the Main Street light poles and street sign poles painting portion is scheduled to begin on June 13th. Any merchants with items on the poles, such as planters, will need to remove them from the poles prior to the beginning date. **“Attention Council Members”** Nathan started installing the LED lights on the Main Street lights. The LED bulbs have 4 different ambers brightness to choose from. I had Nathan install the bulbs in the 4 poles at the north end of Main St. starting from McDonalds. I invite Council to join me and take a look at the four different lights after the Council meeting on Monday and provide your recommendation. When we choose the brightness we like, he will install the remainder of lights.
- The staff got together on May 18th to take care of the landscape at the Government Center. They pulled and sprayed weeds, trimmed trees and bushes, and hauled away the debris.

- We met with Barry from the Clock Shop on May 16th and he provided us with an update on the Village Clock. Barry did get one clock mechanism installed and is working on the opposite side. The unit is being converted to electric. He advised that it should be completed and ready for installation by mid-June. I received a call from Mike Foley and he advised that he would donate \$250.00 towards the repairs of the clock.

- I am providing update photos of the School's Performing Arts building construction. I was advised they are on schedule for the completion date.

- The Community wide garage sale is scheduled for June 23rd to June 26th. Garage sale permits are not required on these dates. Traffic enforcement will be citing parking violations, so please inform your customers.
- We are receiving a lot of compliments for use of the electronic message board as we continue to communicate with the public. In addition, the schools thanked us for the school related messages we shared. I have provided a few photos of recent posts.

- I have attached a flyer with RSVP Information for the Warren County Leadership Float on July 8th for any Council members interested in participating.
- On June 6th we will be touring all of the Village Government facilities in place of the Public Works meeting. I will use the command vehicle to transport public officials only. We will visit the maintenance campus, well fields and disinfectant facility, water hauler distribution building and towers.

Police

- I have provided the May dispatched calls for service for your review. Please feel free to contact me with any questions or concerns.
- The May Mayor's Court report has been included for your review. Feel free to contact me or Ashley with any questions you may have. In addition, we hosted the bi-monthly Southwest Ohio Association of Mayor's Court Clerks meeting on May 20th.

- The code enforcement monthly report has been added for your review. If you have any questions or identify any missing location violations, please feel free to reach out to me or Sgt. Denlinger.
- The school had its semi-annual fire drill exercise on May 17th, and everything went well.

- Mayor Isaacs and I attended the 2022 STEP Class Graduation on Wednesday, May 18th in Columbus, Ohio. Lt. Dan Bledsoe successfully completed the three-week supervisor training and education program sponsored by the Law Enforcement Foundation and Association of Chiefs of Police. Lt. Bledsoe was awarded a certificate of completion that will help him to become a better supervisor and grow in this occupation.

- Wayne Local Schools had their Annual Dare Graduation on May 18th. Sgt. Denlinger went in my place to represent the department, because Mayor Isaacs and I were at Lt. Bledsoe's STEP Graduation in Columbus, Ohio.

- We received several treats for the officers during Police Memorial week. I would like to thank Warren County Dispatch (not pictured) for the basket of treats, Mrs. Bowersox (not pictured) for treats, Sheila Baker for the lemon blueberry cupcakes, and Bio-one for the cookies.

Waynesville American Legion

Post 615

Waynesville, Ohio

5-5-2022

Dear Local Businesses and Proprietors,

Hello. it is that time of year again! The Annual Waynesville Fireworks Display will be on Saturday, July 2, 2022. The Rain date will be Sunday, July 3, 2022.

The fireworks are sponsored by the Sons of the American Legion and generous local merchants. The cost to put on the display is roughly \$7000.00. Your donation of any amount is truly needed and very much appreciated. Your contribution is crucial to the on-going success of this much loved, annual event.

Donations for the fireworks can be made payable to: Post 615- SAL

Mail to:

Rob Ramby

5197 Lytle Rd.

Waynesville, Ohio 45068

If you have any questions, please contact Rob Ramby at 937-776-8227

I can pick up your donation if needed.

Thank you so much for your kind consideration and contribution.

Sincerely,

American Legion Post 615

Sons of the American Legion Fireworks Fund Raising Committee

Rob Ramby

Chief Charles Stiegelmeier, CLEE Miami Twp. (Montgomery) PD
Sgt. Dana Taggart Sharonville PD
Class XXVI Representative
Deputy Chief Justin White, CLEE Bowling Green PD
Mallory Murphy Program Director
Renea Collins Program Coordinator

STEP is designed for first-line supervisors. As an officer enters the position of supervisor, he/she needs to meet the new job and organizational requirements. The transition requires a new orientation from an officer to the recognition that the supervisor must get work done through other people. The transition requires an understanding of the expectations and role of the supervisor in the overall department. Instructors who teach in STEP are recognized as excellent classroom discussion facilitators who bring their expertise and experience to address the unique challenges of the first-line supervisor.

STEP covers 21 learning modules where supervisory and leadership theory is translated into professional practice. In addition, through the student's writing of journals, book reports, and capstone papers, and working on a contemporary issue team presentation, he/she can reflect and put into practice what he/she learned. The students had many networking opportunities with fellow first-line supervisors who may serve a resource for them in the coming years.

Wednesday, May 18, 2022

STEP
