Public Recognition/Visitors Comments

Mathew and Wilda Rider of 8443 E St Route 73 approached the Council, stating that he is a member of the Legion Riders, who help maintain Veterans' Park. He asked for advice on the best way to get a small retaining wall at Veterans' Park repaired. Mathew stated that the wall is not holding the dirt back and that it is covering the pavers with names honoring servicemen. He was unsure who was responsible for the park and was told that the Village of Waynesville owns it. Currently, Gene Isaacs is the primary caretaker of the park, and Mr. Rider would like to recruit more members to help maintain it.

Chief Copeland explained that South Street was initially planned to extend to Route 42. However, ODOT did not approve this, so at Legion's request, it was turned over to them to maintain as a Veterans' Park. Mr. Gallagher asked if it was the Village's responsibility and whether Mr. Rider had obtained an estimate. Chief Copeland recommended that Mr. Rider develop a plan with estimates and present it to the Warren County Veterans' Commission. He noted that the Commission just approved assisting with the pavers at Lebanon's Veterans' Park and believes they would be willing to help. He added that the Commissioners meet on the first and third Monday of every month at 7:30 a.m.

Mayor Isaacs thanked the Riders for volunteering their time and helping to maintain Veterans' Park.

Ms. Rider asked whether the Village could check the Waynesville sign on Route 73, as it was falling over. Chief Copeland assured her he would have the Maintenance Department review it this week. She also inquired about the status of the Hammel House, emphasizing its historical significance and importance to Waynesville. She expressed concern that it is left open to the elements, with a hole in the roof and no tarp to protect it. Chief Copeland replied that the owner has been cited, and the case is currently being heard in Mayor's Court. Mr. Gallagher mentioned this issue was brought up at Meet the Candidates Night and asked why the Village isn't taking the same actions as in Lebanon. Chief Copeland explained that the Village is following a similar approach; Lebanon started court proceedings before the Village did.

| Council thanked the Riders for their contributions to the community. |

Reports

Finance

The Finance Committee met this evening with Jim Hough of Wade Insurance. Legislation regarding employee insurance renewals will be introduced at the next meeting. Mr. Hough will meet with employees at the beginning of the year to review insurance. The next Finance Meeting will be on December 15 at 6:00 p.m. in the small conference room at the Government Center. The public is welcome to attend.

Public Works Report

The Public Works Committee will meet again on December 1, 2025, at 6:00 p.m. The public is encouraged to attend.

Special Committee Reports

The MOMS Committee met this evening to discuss improvements on Main Street. There was a strong turnout and participation from the Chamber, Council, and WMA. The discussion highlighted that safety and the installation of safety bollards are the top priorities. A follow-up meeting is scheduled for January 20th at 5:00 p.m.

Mrs. Miller asked Mr. Forbes about implementing a sales tax to help fund the Main Street improvement efforts. Mr. Forbes responded that municipalities do not have that authority. He said there are options, such as creating a Special Improvement District to generate additional fees, but that is different from a sales tax. He mentioned he could research the possibility of a Special Improvement District if that is the direction the Village wants to pursue.

Village Manager Report

- Chief Copeland stated he would like to speak with Council in executive session to discuss the possible acquisition of property.
- Chief Copeland contacted Andrew Jacob to help expedite AES in wiring the stoplight at Route 42. AES moved the pole. The footer for the strand pole has been dug, and the pole has been ordered. This will take about 26 weeks.
- Chief Copeland wanted to clarify any confusion about the Village's water system. He mentioned he had heard misinformation claiming the water system couldn't support growth. He emphasized that this is entirely false. According to the Wessler water module, the Village will only reach 55% capacity by 2026.
- Moody is currently working on boring the line to connect Well 10 to the water system.
- The staff Christmas party is scheduled for December 12 at 6:00 p.m.

- The Water Department, with the help of the Maintenance Department, repaired a break on Robindale. This repair was done entirely in-house.
- The Maintenance Department is currently doing leaf pickup.
- There were a couple of things the EPA required to be addressed when they conducted their inspection. The Water Department quickly fixed all issues, including cleaning the buildup around wellhead 6, replacing screens, and painting and sealing the base of the Ferry water tower.

Police Report

- October Calls for Service and Mayor's Court Month-End reports have been provided for review.
- Photographs of the officers handing out candy during trick-ortreat have been provided for review.
- Chief Copeland was the keynote speaker at the Warren County Career Center's Veterans' Day breakfast.
- Thank you to Kim and Bryan Sharp for providing Village employees with a catered lunch from Chipotle. Staff really appreciated it.

Mr. Gallagher inquired about the storm drain work along Franklin Road. Chief Copeland clarified that SmithCorp is finishing the punch list for the OPWC Franklin Phase II project.

Financial Director Report

None

Mr. Gallagher asked if the state audit was over. Ms. Morley responded that the Village is still waiting for the exit interview. It has been over two months since one was requested.

Law Report

None

Mr. Forbes stated that he may not be at the next meeting, but will have Ms. Puthoff attend in his place.

New Business

Mayor Isaacs appointed Mr. Gallagher and Mrs. Miller to the nominating committee responsible for selecting Council members for various committees. This appointment must be approved at the first January meeting.

AMENDING ORDINANCE NO. 2025-015 ESTABLISHING THE MAIN STREET CAPITAL PROJECTS FUND (FUND 4901) AND DECLARING AN EMERGENCY

WHEREAS, the Village of Waynesville anticipates directing moneys to a special fund for saving for Main Street beautification projects; and WHEREAS, Council has previously adopted Ordinance 2025-015 to create the special fund under Ohio Rev. Code § 5705.09(F); and WHEREAS, after further input from the Auditor of State, Council desires to clarify that the special fund is actually established under R.C. 5705.13(C). NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Waynesville, Ohio, members elected thereto concurring: Section 1. That Ordinance No. 2025-015 is hereby amended to reflect that the Main Street Capital Projects Fund is established pursuant to R.C. 5705.13(C). Section 2. That such amendment will allow the funds to be transferred back into the general fund if they are not spent or if Council decides not to do the project. Section 3. That this Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall be in effect immediately upon its adoption. The reason for said declaration of emergency is the need to establish the new fund under the correct provision of the Ohio Revised Code prior to the end of the calendar year. Passed this ____ day of , 2025. CLERK OF COUNCIL

MAYOR

AUTHORIZING THE TRANSFER OF CERTAIN FUND BALANCES FROM THE FEDERAL GRANT FUND (2052) TO THE WATER CAPITAL FUND (5701) BY THE VILLAGE FINANCE DIRECTOR AND DECLARING AN EMERGENCY

WHEREAS, in 2024, the Village received a BUILDS Grant for \$499,750. This was a reimbursing grant, so \$499,750 was transferred from the general fund to Federal Grant Fund (2052); and

WHEREAS, there is \$60,307.58 remaining in Fund 2052, which was for engineering services paid by the Village before the grant was awarded, but the full amount of the awarded grant was transferred into Fund 2052; and

WHEREAS, the engineering fees were paid out of the Water Capital Fund (5701); and WHEREAS, after consultation with the Auditor of State, it is recommended that these funds should be transferred to the Water Capital Fund.

| NOW, THEREFORE, BE IT ORDAINED by the Village Council of the Village of Waynesville, members elected thereto concurring: |
|---|
| Section 1. Council hereby authorizes and directs the Finance Director to transfer the unexpended balance of \$60,307.58 in the Federal Grant Fund (2052) to the Water Capital Fund (5701). |
| Section 4. This ordinance is hereby declared to be an emergency which is necessary for the preservation of the public health, safety, and general welfare and shall be effective immediately upon its adoption. The reason for an emergency is the need to transfer the funds at the earliest possible date, as such funds are no longer needed for the purpose for which they were intended. |
| Adopted this day of, 2025. |

Re: Renewal Date and Information for Your Hartford Group Insurance Benefits

Dear Jamie Morley,

Thank you for giving The Hartford the opportunity to provide benefits to your employees. We are looking forward to renewing your group benefits contract, effective on January 1, 2025 and continuing our relationship for many years to come.

To determine your renewal rates, we analyze a variety of factors to ensure that you receive excellent benefits and valuable services at a competitive price. To that end, we have conducted a careful review of your demographic information, industry classification, claim experience, and total benefit package from The Hartford.

Factors Affecting Premium.

Global and national economies have a direct impact on our business. Interest rates, unemployment levels, lack of industry growth across a large number of industries – these all factor into the price for our products and services we provide to all small employers.

- Low interest rates. Near record low rates negatively affect insurers' returns on investments, which help fund reserves and pay claims. This puts additional pressure on premium.
- Employee demographics. Age, gender and salary mix play a key role in determining renewal premium particularly if those factors have changed since the last renewal.
- Industry Experience. Industry and occupation classifications are also key factors in the risk
 assumed by The Hartford. When determining premium levels, we look at the claims
 experience from other employers with fewer than 500 employees that we serve in your
 industry. Many factors can impact disability and life claims in your industry, such as the
 previously mentioned macro economic factors, but also the level of experience, attained
 education, and the particular skills and ability occupations within your industry.

Having completed our review and analysis, we have summarized below the appropriate funding level for the upcoming new policy period.

| Coverage and Policy Number | Current Rate | Renewal Rate as of 01/01/2025 | Monthly Premium Change | Rate Guaranteed Until |
|----------------------------------|-------------------|----------------------------------|------------------------------|--------------------------|
| Basic Life - 899887G | \$ 0.131 per 1000 | \$ 0.183 per 1000 | \$ 34 | 01/01/2027 |
| Basic Dep. Life - 899887G | \$ 1.734 per unit | No Change | \$0 | 01/01/2027 |
| Basic ADD - 899887G | \$ 0.039 per 1000 | No Change | \$ 0 | 01/01/2027 |

* For policies that are list-billed by The Hartford, premium and volumes are based on the most recent list bill. For policies that are self-administered, premiums and volumes are based on the most recent census information that we have on file.

With this rate structure the employer may be electing to partially support employer paid coverages with the rate for the employee paid coverages. This means that premiums paid for one coverage may cover the cost of another coverage under the Plan. When we quote rates with such partial support between the employee paid and employer paid coverages we do so with the understanding that the employer and employee coverages are part of a single ERISA plan sponsored by the employer and that the employer has determined that the rate structure is consistent with information provided to employees and with its ERISA obligations. For those cases that are not governed by ERISA, we are quoting the rates with the understanding that the employer has determined the rate structure is consistent with the information provided to employees. If our understanding is not accurate, please contact us.

The rates above will be effective as of your upcoming renewal date and will be reflected on your billing statement for that month. Please be sure to make any necessary adjustments to payroll deductions for employees who share the cost of their coverage.

Doing business with The Hartford is about much more than price. Our rich 200-year history of helping our customers prepare, protect and prevail, combined with our expertise in delivering Group Benefits, allows us to create solutions that honor our relationships and make good on our promises.

Our partnership — and what we have learned about your culture and business objectives — provides us real insight into how we can work together to reach your goals. We appreciate your business and look forward to being your group benefits carrier of choice for many years to come.

If you have questions or need additional information, please contact your benefits advisor or our Small Business Center.

Sincerely,

Council Report

December 1, 2025 Chief Copeland

Manager

- On August 18, 2025, the Council passed ordinance #2025-022, which authorized me to prepare and submit a grant application for a water main replacement and repaving project on 5th and 6th Streets. I submitted the project as a multi-jurisdictional initiative in collaboration with Warren County. I am pleased to report that on November 20th, the Village was awarded a grant from the Ohio Public Works Commission (OPWC PY40 FY2026). The total cost of the project is \$1,651,500.00, with the OPWC grant covering \$1,139,540.00. The remaining balance of \$511,960.00 will be funded by the Village, which will contribute \$413,850.00, and the County, which will provide \$98,110.00. As part of this project, the County will also line the sanitary sewer lines. Additionally, I will prepare a letter respectfully asking the Township's participation in replacing all fire hydrants within the project area. This project will go out for bid in June, and the funds are set to be released on July 1, 2026.
- I am providing an update on the well #10 project. The wellhead and pitless adapter have been installed. They are installing the pump and lateral line in mid-December, followed by an EPA pump test.

- I would like to provide an update on the SR 42 and North Street traffic light project. The footers for the strain poles have been poured, and the poles have been ordered. Ryan Oeder from the Ohio Department of Transportation has shared the signal support plans, which I have included for your review. The project is expected to be completed in late spring or early summer of 2026.
- Demolition of the house at 88 S. Third Street has begun, as it has been deemed unsafe and uninhabitable. Please note that street closures will occur at various times due to heavy equipment used during this process.

• The Village Water Department did a hydrant replacement and valve repair at 1050 Rose Petal Court. The staff did a great job, and the hydrant is back in service.

- I have a meeting scheduled for December 9th at 10 am with Greg Hennecke, our Ohio Plan Risk Management Representative. We will review our property and fleet to identify any potential liabilities. We will receive recommendations at a later date.
- A community informational session is scheduled for Tuesday, December 9th, at 6:30 PM.
 The session will take place at the Wayne Local Schools Performing Arts Center. Warren
 County Auditor Matt Nolan will be the speaker and will cover topics such as taxes,
 levies, and other issues impacting our community. A flyer for the event is included for
 your review.

Police

- Sgt. Denlinger has provided his November code enforcement report for your review. Please feel free to contact him or I if you have any questions or want to add a location.
- I have included a thank-you letter from Sheriff Riley about the assistance provided by Waynesville Officer Shannon Mermann. The information Officer Mermann provided was essential in quickly solving an attempted murder case.
- I received a thank-you email from Kelly Maloney, the Director of the Mary L. Cook Public Library, expressing appreciation for Officer Mermann. He evaluated the property and discussed safety and security practices. Additionally, he reviewed some emergency scenarios and conducted active shooter training with the library staff.

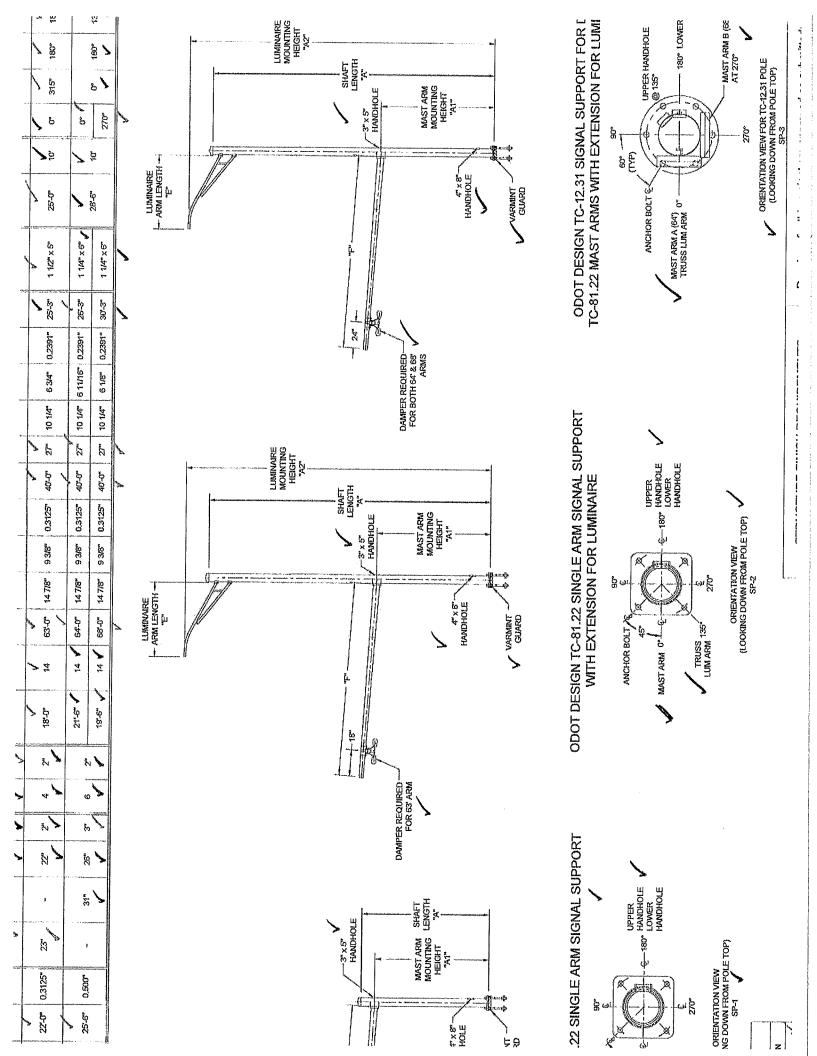

• On Thursday, November 20th, two students from the Warren County Career Center shadowed School Resource Officer Mermann for the day as they are interested in pursuing a career in law enforcement.

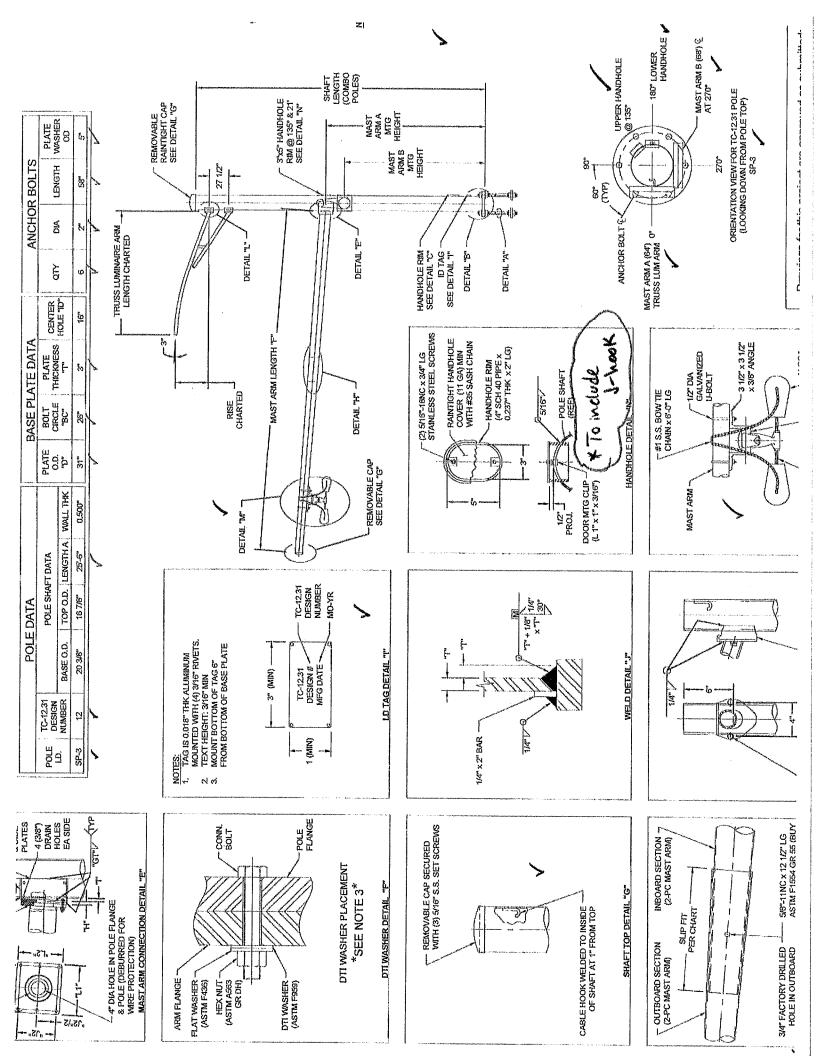

- I have received a request from residents to designate two or three parking spots directly in front of the post office as 10-minute parking. This change would benefit those with post office boxes. I informed them that I would bring this matter up for discussion with the Council.
- Local merchants have generously donated towards our Village Staff and Council Christmas party. I respectfully ask the Council to accept the donations from the businesses listed below:
 - * McDonalds
 - * Taylor's Coffee
 - * Domino's
 - * Butter Churn
- * Village Family Restraunt
- * Stone House Tavern
- * Lewis Community Mercantile
- * Buckeye Charm
- * Acapulco's
- * Hometown Market

Learn About...

- Where do your taxes go?
- What is millage?
- What levies are currently in Wayne Township?
- What is Rollback?
- How are re-evaluations performed?
- What Ohio bills have been introduced or passed recently to help homeowners?

This event is a presented as a collaboration between Wayne Township Board of Trustees, Wayne Local School Board, Waynesville Village Council and Corwin Village Council.

We encourage all residents to attend.

Video recording will be available afterwards on YouTube "Wayne Township, Warren County, OH" (as long as our technology works well that night!)

Property Taxes 201 with Matt Nolan Tues Dec 9th, 2025 6:30pm Waynesville Schools Performing Arts Center 659 Dayton Rd Waynesville, OH

Matt can re-order topics based on what the best flow would be. A Powerpoint presentation would probably be best.

❖ Topics

- o What property taxes are collected and who receives the money? Percentages, millage...
 - County
 - Township
 - Villages
 - Levies
 - etc
- O What is "floor", inside millage, outside millage?
 - Who benefits from it and what is the money used for?
 - How is it calculated?
- o Levies, how they work?
- o What is rollback?
- o Active levies in Wayne Township and villages (school, fire, library, career center, ...)
 - original millage
 - effective millage
 - total \$ collected
 - term, expiration date
 - etc
- o Property re-evaluation, how often, methodologies used?
 - Why do property tax go up so much during re-evaluations when levies are fixed \$ amounts?
 - Does adding more houses to the area lower everyone else's tax bill?
- What bills are introduced at the state to help reduce property taxes? How will this affect us locally?
- Question/Answer period

Re: Attempted Murder Investigation

Officer Mermann,

On October 27, 2025, the Warren County Sheriff's Office was dispatched to the area of Lytle Road and Ferry Road for two females that had been shot. As the incident unfolded, you were instrumental in relaying information of a possible suspect that ultimately led to the arrest of Noah Bays who was responsible for the shooting.

It is always reassuring to know that our law enforcement partners can be relied upon when needed. The Warren County Sheriff's Office would like to extend our thanks and appreciation for your efforts.

Respectfully,

Barry K. Riley Sheriff

Gary Copeland

ALICE Training

Officer Mermann,

I wanted to thank you again for providing training to our staff on Friday. The information you shared, the walk-through of the property, and the emergency scenarios we practiced made a great impact. We are looking more at the safety and security practices we have in place and considering aspects we can improve. Your questions and suggestions were very helpful in directing our focus.

After we have taken some time to review and consider our various options, we would like to hear your feedback as we update our emergency policy and plan for the future.

We very much appreciate you providing this assistance to the library. And thank you to Chief Copeland for allowing you time away from your other duties to help us out.

Sincerely,

Kelly Maloney Mary L. Cook Public Library
