Attendance: Chris Colvin (Council), Chris Hice (Chamber), Mollie Wentworth (Merchant), Charlotte Bryan (Merchant), Jona Powell (Merchant), Chief Copeland (Village Manager), Lyle Anthony (guest)

1) Meeting called to order at 5:02pm

2) Minutes from the last meeting were approved. Motion Chris Colvin, second Chris Hice, all voted in favor.

3) Village is still building up funds for the street light replacement which is ongoing. The minimal timeframe to have the funding is expected to take 2 1/2 more years.

4) Village is also focused on doing electrical work and sidewalk replacement work as part of the street light replacement efforts.

5) Discussion on the trees along Main Street.

5.1) Discussed the safety issues for the places where the trees were removed by the Village but no replacement tree was planted.

5.2) Discussed the tree boxes and the need to keep the existing ones with trees appropriate (2-3" diameter) to those boxes. A tree diameter less than 2" would be prone to being damaged.

5.3) Discussed replacing existing trees and then seeking a uniform tree selection for replacement. The Village can remove any trees as required. The MOMS committee requested Chris Hice recommend a new tree and then see about quotes for having them installed. There was discussion on asking for donations toward the tree replacement costs.

5.4) The need to have a follow up meeting on April 21st 5pm was arranged due to the need to support any type of tree replacement activities in a timely fashion since the time for planting is in the spring timeframe.

6) Discussion on the contributions made by the Village, Chamber and Merchants and the status of the MOMS bank account. There is a need to reach out to the Chamber on the account and what is the current status. Mollie mentioned submitting receipts for greens/flowers purchased last year. Mollie mentioned purchasing greens/flowers for this year (\$1000). Chris Colvin volunteered to contact Anna Garafolo to see if she can assist on the status of the MOMS account.

x) Meeting adjourned at 5:56pm. Motion by Chris Colvin, second Chris Hice and all voted in favor.
