

**Village of Waynesville
Public Works Meeting
March 3rd, 2025, 6:00 pm**

- Committee members present
 - Mr. Lyle Anthony
 - Mr. Zack Gallagher
 - Mr. Brian Blankenship
- Staff and guests present
 - Chief Gary Copeland
 - Mrs. Jamie Morely
 - Mrs. Connie Miller
 - Mr. Chris Colvin
 - Mayor Earl Issacs

The meeting was called to order at 6:00 pm.

The previous meeting minutes were approved

Motion made by Mr. Zack Gallagher

Seconded by Mr. Brian Blankenship

PRV vault lid on Franklin Rd is being paid for and replaced by Choice One. This will replace the aluminum lid with a cast lid. This was an error through the contractor, resulting in compensation of \$12,131.20 in a change order to the Village for the replacement.

The Village Water Department has repaired the government center's sprinkler system. The Water Department has also begun checking all fire hydrant systems for potential leaks. The leak detector the Village received from a grant last year has proven to be very useful. They also checked water meters and replaced any defective units.

The road crews went around and cleaned catch basins. This will help to continue proper drainage as we get into the rainy season.

Meeting adjourned at 6:18 pm
