

Members Present: Chris Colvin, Troy Lauffer, Sarah Toth
Guest: Chief Copeland

Called to start at 6:07

Motion approved: Chris Colvin, Troy Lauffer

Edwards property-look into what we could do and run ideas and run numbers. We could also sell the property and move towards the park development. We would have to make a recommendation to the council and then move to sell. The recommendation to sell was brought by Troy Lauffer and 2nd by Sarah Toth. All in favor.

Chapman-too small to really have the spot

Bicentennial Park-can we help to do more fix-up and especially with the bathrooms to see if we can open them up and put cameras on the outside to help make sure they are kept.

Der Dutchman-long term vision and what can we do with it.

Possibility of the former property of a family to develop a park. Checking with the family lawyer to find out. We could develop the park area and possibly put a park and baseball diamond. A parking lot would need to be added.

Next Meeting will be January 17, 2022 on a Tuesday
Motion to adjourn: Troy Lauffer 2nd, Chris Colvin
All in favor
